

It's the little things that mean so much... That's why Potlatch Corporation is committed to environmentally responsible manufacturing of quality wood, paper and tissue products. Major modernization of our pulp mill has enhanced the environmental performance of our operations. Air emissions from the bleaching process have been reduced, water recycling increased, and organic materials are processed more efficiently. For more information, visit our web-site at [www.potlatchcorp.com](http://www.potlatchcorp.com).
